

Welcome to CHOIR at Edison Middle School!

Winter Choir Concert - Dec. 12, 2023 / Spring Choir Concert May 7 or 14, 2024

Choir

Welcome to the choral program at Edison Middle School! We are excited that you have decided to sing with us! The choir will put on two concerts this year, one in December and one in May. Choir students are required to come to the concerts which are typically held in our gym. **This year there will be a spring choir festival for all 7th and 8th grade choir students from the six SF middle schools. It will be held at the Elmen Center.** Please mark our concert dates on your calendar now so you can plan other activities accordingly. (dates on next page)

In choir we will warm up our voices, learn more about rhythm, sight-reading, important music terms, and strive to become a better singer and musician. We will rehearse our music to prepare for our concerts and there are occasional quizzes on concepts we learn in chorus.
